Exciting News!

In collaboration between the MSUCAA and the University, all former MSU Cheerleaders may request a framed varsity letter to commemorate your time on the team. There is a fee and shipping charge for the framed letter.

Please see below for instructions on how to request.

Many thanks to the Varsity Letter committee, MSU Athletics, Coach Elyse Packard and Kate Souder, the Varsity S Club Director for making this happen!

For alumni seeking retroactive recognition:

1 If you cheered prior to 1981:

- Any replacement awards requested will default to the Framed Letter option (Varsity S Club has no records prior to 1981, so therefore cannot replace items received then).

2 If you cheered 1981 to present:

- If Varsity S currently provides the award, those awards can easily be replaced.
- If Varsity S does not currently provide the award, they will default to the framed letter option.
- If the replacement request is specifically for a varsity jacket, and our records indicate anything other than a varsity jacket being the first letter, they will default to a framed letter option.
 - o Ex: "pullover jacket" or "special jacket" will all default to a framed letter option.
